

Want to run the London Marathon 2011?

Virgin London Marathon 2011 is fast approaching and as in the previous years, Hilton in the Community Foundation is delighted to offer Hilton Worldwide team members the chance to take part in this world famous race while raising money for a worthy cause! Next year the marathon takes place on Sunday 17th April 2011 with thousands of runners taking over the streets of London.

This year we are delighted to be offering you the choice of two partner charities to run for through the Foundation:

The Outward Bound Trust is an educational charity offering young people the chance to realise their potential through experiences in the great outdoors. The Trust works with schools, groups and individuals to provide bursary support and powerful personal development courses for young people whatever their background. **Registration fee £58.75 + Minimum sponsorship required £1,750.**

Treloar's mission is to provide first-class education, therapy, medical support, and independence training for young people with physical disabilities in a caring and supportive environment. **No registration fee, but Treloar's would ask entrants to set a fundraising target of £2,500 with a minimum figure of £800 set to make sure the trust gets some value for the very valuable marathon place it is allocating.**

Registration for Virgin London Marathon 2011 closes on 21st January 2011 however places are going fast so make sure you won't miss your chance to take part in this fabulous race!

To apply for a place and for more information please contact Pauliina at Hilton in the Community Foundation by phone on 0207 605 7641 or by email pauliina.lyttinen@hilton.com.

We look forward to hearing from you!
